Subject: Re: Draft Response to Save the Bay

I'm with Jane - I would take out the first clause in the second paragraph, and make the closing sentence more neutral. Otherwise, it looks fine to me.

Sent from my BlackBerry 10 smartphone.

Sylvia, this looks OK to me and I leave it up to others whether to leave in the personal tone.

(Jason, sorry I didn't send this along earlier to Sylvia. I only just saw it in my email. Been having intermittent connectivity/refreshing from home today.)

Thanks. Wanna run it through Sylvia? I spoke with Jane about it en route to our lunch with Colonel Morrow today (Richmond dredging) and she wasn't so sure about the personal approach...
